PROFESSIONAL PROFILE

Web Developer with practical experience in WordPress teaching and hands-on website projects. Builds responsive interfaces and e-commerce experiences using WordPress, Elementor, WooCommerce, Shopify, HTML, CSS, JavaScript, and React. Focused on clean UI, responsive layouts, and user-friendly online shopping experiences.

TECHNICAL SKILLS

Front End	HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap
CMS & E-commerce	WordPress, Elementor, Elementor Pro, WooCommerce, Shopify, theme/page customization
Tools & Databases	Git, GitHub, Vite, MongoDB, basic Oracle, responsive design, basic graphic design

SELECTED PROJECTS

Personal Portfolio Website | **Live**
Built and deployed a responsive React portfolio with Tailwind CSS, a dark visual theme, scroll animations, project highlights, and WhatsApp contact access.

Mashfa — Modest Fashion E-commerce Store | **In progress**
Developing a React storefront for modest fashion and accessories, with category filtering, product detail pages, cart and wishlist flows, quantity controls, and responsive shopping UI.

Lexora Intelligence — Legal AI Prototype | **Prototype**
Building a legal-document assistant concept with a React dashboard and Python FastAPI backend. Prototype features include document upload and text extraction, document indexing for retrieval, and a local LLM/RAG workflow.

Kitchen Royals — Shopify Store | **Project work**
Worked on a kitchen-appliance storefront concept, focusing on product presentation, brand styling, and a consistent shopping-focused visual system.

Zara Textile — WooCommerce Store | **Project work**
Worked on a home-textile store concept with product categories and filter-focused browsing for bedding and home textile products.

Kafeen Coffee & J.-Inspired Fashion Concept | **Practice**
Additional front-end practice projects focused on visual layout, storefront presentation, and responsive styling.

EXPERIENCE

WordPress Instructor / Trainer — Faizan Digital Institute, Lahore
Aug 2024 – 2025
• Guided learners through WordPress fundamentals and practical website-building tasks.
• Supported page editing, website structure, and content-management workflows.
